

Visa for employment purposes in Germany

1. General information

Your visa-application can only be processed once all documentation was presented completely. The documentation is to be presented in original **plus two copies each**. Documents in foreign language have to be **officially translated into German language**.

Please note that you have to apply in person at the Embassy. Applications via post are not possible. You have to book an appointment prior to coming to the Embassy via the online-appointment system. You can find the link on our homepage. In general, the processing time takes several weeks. Please plan your application accordingly.

2. Fees

For the processing of a visa application for employment purposes, a fee of 75,- € is charged. **The fee has to be paid at the time of application in cash in polish Zloty.** The fee is a processing fee. If an application is revoked or refused, the fee will not be refunded.

3. Process

Applications will be forwarded to the German authority in charge for further processing. The processing time takes about 4 weeks in general. In some individual cases, this processing time can be extended to several months. As soon as a decision has been made, the applicant will immediately be informed by the Embassy. In order to disburden the visa section, it is adjured to **refrain from status-questions**, since this would disrupt the workflow and may result in a delay of the visa process.

4. Documentation

Please mind the totality of the documentation! Incomplete applications can result in the refusal of the application!

Please sort the documents according to the following order.

- 2** completely in German language filled out and personally signed application forms (the forms are available [here](#))
